

## BIOGRAPHICAL STATEMENT

### Deb Smith

As District 2 Mobility Manager, **Deb Smith** is responsible for working with service providers, individuals that use mobility systems, government jurisdictions, nonprofit organizations, and businesses in the five counties of North-Central Idaho to plan, coordinate, promote, and improve the regionwide service network of multi-modal systems and multiple providers. She facilitates partnerships and works to further develop the multi-modal network, basing projects on the mobility coordination plans of the Idaho Transportation Department. Deb is employed by the Clearwater Economic Development Association and also serves as an Economic Development Specialist. She previously served as the a director of tourism development and has spent several years working with the local Chamber of Commerce.
